ABOUT OUR PROGRAM

Make new outdoorzy buddies in a laid-back, down-to-earth atmosphere.

GayOutdoors strives to get the LGBTQ community in fun, safe and creative ways. We are creating a network of hikers who hike together in a safe and comfortable atmosphere, get involved with trail maintenance activities, advocate for land conservation and support local Search & Rescue Teams. But most importantly, have fun while doing it!

Our Founder Mike Boisvert began our simple Internet Bulletin Board in 1999 with a simple goal: to bring gay men, lesbians and friends together to experience the incredible fun of outdoor adventure and to create an atmosphere that leads to life-long friendships.

HOW IT WORKS

Consider actually organizing and post a GO trip yourself, in your area. Whether it's hiking, camping, backpacking, or something else, there are many GO members in your area who might be interested in meeting and joining you. As you likely would surmise on your own, the key to a rich calendar in your area lies with those first few people who are able to step out in front and get the ball rolling in their area.
